Subject: Recall RP1039

TO: All U.S. and Canadian Service Points

NEW VEHICLES IN RETAILER INVENTORY

It is against Polestar policy for a retailer to deliver any new Polestar that is eligible for a recall. Service Points are advised to check all vehicles in inventory for recall eligibility and repair immediately. All vehicles in your new vehicle inventory must be corrected/updated before delivery.

USED VEHICLES IN INVENTORY

Polestar is ordering the stop-delivery of affected vehicles in auction and inventory until the recalled item can be repaired.

Stopping the delivery of affected used vehicles until the recall is complete is consistent with Polestar commitment to safety.

What does this mean for customers?

Customers will not be able to take delivery of affected vehicles until the recall has been completed.

When will this be resolved?

Polestar Automotive USA and Polestar Automotive Canada on behalf of Polestar Performance AB, has decided to launch Recall RP1039 on certain model year 2020 Polestar 1 vehicles.

Polestar investigations has identified that the bolted rod connecting the brake pedal to the hydraulic unit may have not been assembled correctly at the supplier. The final torque might not be according to manufacturing specification.

As a result, a reduction in brake support functions can occur increasing the risk of a crash.

To remedy the concerned vehicles, Polestar will torque the pushrod screw according to specification.

A total of 6 U.S. and 1 Canadian Vehicles are eligible for this recall.

Vehicle eligibility must be confirmed:

- Vehicle Inquiry – Warranty Vehicle Inquiry where the message "Recall RP1039 PS1 Pushrod" will appear for eligible vehicles, F4=History from the main Inquiry menu must be selected to confirm Recall RP1039 has not been completed. Eligibility can also be confirmed in VIDA.
- Recall RP1039 eligible vehicles not yet delivered to end customers must be corrected prior to delivery.

All vehicles must be checked for any incomplete recalls or service campaigns or service upgrades. All open Recall, Service Campaigns or Service Action repairs must be completed.
