## IMPORTANT SAFETY RECALL

Date: December 3, 2024

To: \_\_\_\_\_

Subject: Safety Recall Campaign - 24V-837

Involving: 2024 and 2025 PJ Trailers Manufacturing, Inc's Model LD

PJ Trailers Manufacturing, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2024 and 2025 PJ Trailers, bearing model number LD. Further investigation has revealed a potential safety issue with certain Lippert axles installed on LD trailers equipped with an air ride suspension. These axles may have been installed incorrectly, which could lead to reduced braking ability and increased risk of a crash.

Owners will be notified by mail about the recall and will be instructed to contact PJ Trailers Manufacturing, Inc. to schedule the required repair. There is no cost to owners for this recall. **Dealer should immediately notify PJ Trailers of the name and address of each person or entity to whom the Dealer has sold or delivered one of the affected trailers.**

**Important:** Some of the involved trailers may still be in your inventory. Enclosed as Attachment 1 is a listing of the affected trailers identified by VIN that our records indicate were shipped to you. Please verify purchaser information for each trailer and provide that information to PJ Trailers Manufacturing, Inc. as soon as possible. The requested information should be directed to PJ Trailers Manufacturing, Inc., ATTN: Warranty, via mail to 1807 FM 2352, Sumner, Texas 75486; or via email to [recall@pjtrailers.com](mailto:recall@pjtrailers.com). Federal law requires you to complete the recall service on those trailers still in your inventory before retail delivery.

Inspect and replace, as needed, the axle assembly(s) on affected trailers as they are brought into your dealership. Contact PJ Trailers' warranty team should you have any questions regarding the repair at [recall@pjtrailers.com](mailto:recall@pjtrailers.com) or 903-669-0228. Replacement parts will be shipped to you via the warranty team's claim process.

**Instructions regarding the replacement of the axle(s) are outlined in the attached Service Alert Bulletin.**

You are being provided with a Replacement Confirmation Form, which you are requested to complete for each trailer inspection, and axle replacement where necessary, that you complete. Upon completion of the necessary replacements, you are required to return the completed Replacement Confirmation Form to PJ Trailers Manufacturing, Inc., via email to [recall@pjtrailers.com](mailto:recall@pjtrailers.com), and upon receipt of the completed Repair Confirmation Form to PJ Trailers, you will be reimbursed for the repairs performed. PJ Trailers estimates it will take approximately 30 minutes to perform the inspection and if the inspection fails, the axle(s) will be replaced, which will take an additional 3.25 hours per axle, including function check and alignment, to complete. Contact PJ Trailers Manufacturing, Inc. for disposition of the removed axle(s).

Please be reminded that it is a violation of Federal law for you to sell or lease any of the affected trailers covered by this notification until this recall has been performed on the affected trailer. Substantial civil penalties apply to violations of this law.

If you have questions concerning this recall, please contact the PJ Warranty Team at [recall@pjtrailers.com](mailto:recall@pjtrailers.com) or **903-669-0228**.

Your immediate assistance in this important effort is appreciated.
