SUBJECT: Rear Camera Water Ingress Parts Allocation – Recall N946

JLR North America, LLC has informed the National Highway Traffic Safety Administration (NHTSA) of their intent to perform a Safety Recall on certain 2022 model year to 2023 model year Range Rover vehicles imported into the United States. Information relating to this Safety Recall will be posted on the NHTSA website.

The following parts will be required per vehicle to complete the Recall:

Model	Part #	Description
2022 – 23MY Range Rover	LR129291 1/ vehicle	Rear Camera

- Some of the parts required to complete the recall have already been received at our PDC's, others will arrive over the coming days and weeks. Deployment to retailers is expected to begin Monday, 3/25.

Parts Managers / Professionals:

- In order that parts can be allocated to ALL retailers, so ALL have stock on hand.

PLEASE FOLLOW THE “Initial Order Allocation” ORDERING PROCESS BELOW.

There is no need to call Customer Service to secure the release of parts once an order is placed.

Initial Order Allocation: Please complete by March 28th.

Locate your Retailer code on the following pages and place a “single order” for the number of parts specified in the table for your retailer.

Do not order more than the quantity shown for your retailer.

Ongoing Ordering / Allocation: To be used from March 31st - on.

As you use the “Initial Order Allocation” above, additional orders can be placed.

Please place additional single line orders specifying the vehicle recall VIN(s) on the order.

Parts will not be released without a valid recall VIN

Following the process above will make limited parts available on a “Fair Share” basis and will ensure all retailers have reasonable stock to allow repairs to commence at each retailer
