Important Safety Recall

This notice applies to your vehicle, VIN XXXXXXXXXXXXX

NHTSA Recall Number: 24V-001

Date: January 8, 2024

Subject: Weldon V-Mux 8 X 16 Input/Output Node Safety Recall Notice

Dear North Star Ambulance Owner,

This notice is being sent to you in accordance with the requirements of the National Highway Traffic and Motor Vehicle Safety Act.

Braun Northwest, based on information provided by Weldon, a division of Akron Brass, has decided that a safety defect, which relates to motor vehicle safety, exists in certain 2020-2021 North Star ambulances equipped with V-Mux 8 X 16 I/O nodes, Weldon Part Number 6030-2000-00 produced between March 10, 2020 and June 14, 2023. Versions 1.00 thru 1.02 are affected. You are receiving this notification because Braun Northwest has determined that your North Star Ambulance has one or more of the recalled products installed.

In the affected products, short circuit protection may not function properly. In the case of a short circuit in the wiring or the connected load, overheating of the wiring or the load may occur which could increase the risk of a vehicle fire.

The repair of affected units is a simple software update that can be completed without accessing the individual nodes or design files using a Weldon service app and the downloader kit. This update is estimated to take 5 minutes and will be provided free of charge.

You may be eligible to receive a reimbursement for the cost of repairs made prior to receiving this notice.

For repair/replacement related to this recall please contact

Braun Northwest Service Department: 800-245-6303 or

Weldon: Cherish Porter, cporter@idexcorp.com, 330-576-8727

If Braun Northwest or Weldon fails or is unable to arrange service as described above without charge, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590 or call toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to www.safercar.gov.

Sincerely,

Jim Braun – Vice President
