IMPORTANT SAFETY RECALL NHTSA Recall No. 24V-004

This notice applies to your vehicles in the listing attached

12 January 2024

Re: NHTSA RECAL No. 22E-090NHTSA RECAL No. 22E-090 Carrier Transicold, defect in Carrier Supra series S6, S7, S8, S9 and S10 diesel truck refrigeration units.

Dear Valued Mickey Truck Bodies Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mickey Truck Bodies has decided that a defect which relates to motor vehicle safety exists in certain vehicles equipped with Carrier Transicold Supra series S6, S7, S8, S9 and S10 diesel truck refrigeration units (together, the "affected TRUs").

The 12-volt wire harness, used for the fuel heat option within the affected TRUs, may be exposed and missing heat shrink. The exposed, energized 12-volt wires can, under certain conditions, lead to electrical arcing, increasing the risk of a fire.

Please contact your authorized Carrier Transicold dealer to coordinate an inspection of all affected TRUs shown in the attachment to this letter. The inspection and rework will be provided at no charge to you. During that inspection, the dealer will straight-cut any exposed wires in the harness, apply new heat shrink for some wires, add a connector to the remaining wires, and remove a fuse. The inspection and securing of an affected TRU's 12-volt harness will take approximately 1.5 hours.

If this repair has already been made and paid for by the customer, please contact Mickey Truck Bodies for reimbursement guidance.

If after attempting to have your vehicle repaired, you believe you have not been able to have your vehicle remedied without charge or within a reasonable amount of time, you may submit

a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C., 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Enclosed is a list of affected units.

Should you require additional information concerning this Carrier Transicold NHTSA Recall, please call 1-800-334-9061 ext. 218 or e-mail customerservice@mickeybody.com.

Sincerely,

Larry Jacobs
Customer Service Manager
Mickey Truck Bodies, Inc.
