NHTSA RECALL 24V-010

February 16, 2024

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: [REDACTED]

Dear Volvo Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Volvo Car USA LLC on behalf of Volvo Car Group, has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2024 XC40 vehicles.

The reason for Recall R10256:

A software error in the Central Electronic Module (CEM), which controls the turn signal system may fail to activate the left-hand rear turn indicator. As a result, this would fail to warn a rear approaching driver of your intentions to turn or change travel lanes, increasing the risk of a crash.

Recall action: R10256:

The corrective action is to perform a CEM Software Update, **free of charge**.

The release of this software is currently available via over-the-air (OTA) for your vehicle. Owners who have already accepted the OTA update will not have to bring their vehicle into an authorized Volvo retailer. The corrective software version is 2.13.3 or later. You can verify your vehicle's software version by following the steps below:

1. Tap the "setting gear" in the bottom right corner on the center display.
2. Tap on "system".
3. Tap on "software update".
4. Verify that your software version is 2.13.3 or later. If yes, no further action is required, you have the latest software in your vehicle and the recall has been satisfied.

If you choose not to accept the OTA update, you can still have this software update performed at your authorized Volvo retailer at **no cost**. Please contact your authorized Volvo retailer to schedule an appointment for the repair to be completed. This procedure can take up to one hour to complete, however due to service scheduling your Volvo retailer may require your vehicle for a longer period.

If you had previously paid for this repair to be performed, prior to receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, please refer to Volvo Customer Care Center contact information in this letter.

If you no longer own the vehicle described in this letter, please help us to update our records by sending us the updated owner information. Please refer to our contact information in this letter.

Please contact:

If you have any questions, please contact your Volvo retailer. If your retailer is unable to answer your questions, please contact Volvo Customer Care Center:

1800 Volvo Place
Mahwah, NJ 07430

Or by phone at 1-800-458-1552, 24 hours a day, 7 days a week. You may also contact us by going to <https://volvo.custhelp.com/app/homeV3>

We have advised the National Highway Traffic Safety Administration (NHTSA) that we are conducting this recall. If you are unable to have this procedure performed without charge, and within a reasonable period of time, you may contact the NHTSA Administrator at:

National Highway Traffic Safety Administration
1200 New Jersey Avenue, SE.
Washington, DC 20590

Or you can call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-877-561-7439). You may also go to their website, <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
