

IMPORTANT SAFETY RECALL

March 2024

This notice applies to your vehicle, VIN: _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2024 model year Chevrolet Silverado EV vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

<p>I M P O R T A N T</p> <ul style="list-style-type: none"> • Your vehicle is involved in GM recall N232430730. • Schedule an appointment with your GM dealer. • This service will be performed for you at no charge.
--

Why is your vehicle being recalled?

An incorrect seat belt bezel installed at the second-row center seating position may damage or tear the seat belt in certain crash conditions. If the second-row center seat belt tears during a crash, an occupant in that seating position may not be properly restrained, increasing the risk of injury. **As a precaution, until the vehicle is repaired for this recall, do not place passengers in the rear center seat.**

What will we do?

Your GM dealer will replace the second-row center seat belt bezel with the correct bezel. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 20 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

When scheduling your appointment, confirm with the dealer that they are an EV certified dealer.

Do you have questions?

If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.
