IMPORTANT SAFETY RECALL

Defrost

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2021-2024 model year (JL) Jeep® Wrangler, 2022-2024 model year (WL) Jeep® Grand Cherokee] Plug-In Hybrid Electric Vehicles (PHEVs) fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 103 - Windshield defrosting and defogging systems.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle ^[1] may have been built with incorrectly programmed Hybrid Control Processor (HCP) software which may result in a disabled windshield defrost system under certain conditions. Suspect vehicles may not have a functional defrosting and defogging system under certain conditions. **A disabled windshield defrost system may decrease outward visibility which may cause a crash without prior warning.**

Federal Motor Vehicle Safety Standard (FMVSS) No. 571.103 S4.1 requires that "Each vehicle shall have a windshield defrosting and defogging system."

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will update the HCP software. The estimated repair time is one hour. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
