

IMPORTANT SAFETY RECALL

April 2024

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2023 model year Chevrolet Colorado and GMC Canyon vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

| <p>IMPORTANT</p> <ul style="list-style-type: none"> • Your vehicle is involved in GM recall A232424660. • Schedule an appointment with your GM dealer. • This service will be performed for you at no charge. |
|--|

Why is your vehicle being recalled?

The front camera module (FCM) system in these vehicles may, under certain conditions, improperly command an automatic emergency braking (AEB) event. If an unwarranted AEB event occurs and causes the vehicle to unnecessarily stop or slow down, there is an increased risk of a crash.

What will we do?

Your GM dealer will reprogram the front camera module (FCM). This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual service correction time of approximately 30 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Do you have questions?

If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.
