SAFETY RECALL H475: Rear Lamp Double Tick Tock Inoperable

Vehicle Affected: Jaguar I-PACE

Model Year: 2021 - 2024

National Highway Traffic Safety Administration (NHTSA) Recall Number: 24V-134

Dear Jaguar I-PACE Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Jaguar has decided that certain 2021-2024MY Jaguar I-Pace vehicles fail to conform to Federal Motor Vehicle Safety Standard No. 108 – “Lamps, reflective devices, and associated Equipment”.

Your vehicle is included in this Recall action.

What is the reason for this program?

On certain 2021MY to 2024MY Jaguar I-PACE vehicles, in the event that one of the rear turn signals stops working, the turn signal flash rate frequency will not adjust to warn the driver that a turn signal is not working correctly. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamps, Reflective Devices, and Associated Equipment."

Inoperative rear turn signals may not notify other drivers of a turning vehicle, increasing the risk of a crash.

What are the warning signs of this condition?

In the event of an electrically failed rear turn signal, the driver would not be alerted.

Are there any precautions that may be taken to minimize the safety risk until the corrective measures are implemented?

Until such time as the recall is completed, customers are advised to be extra vigilant when operating the vehicle.

What will Jaguar and your authorized Jaguar Retailer do?

Your Jaguar retailer will have a software update to your vehicle to modify the Car Configuration File (CCF). There will be no charge to the owners for this repair.

What should you do?

Please contact your preferred authorized Jaguar retailer without delay and provide them with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'H475'. There will be no charge to owners for this repair.

Attention Leasing Agencies: If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within ten (10) days.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize any inconvenience to customers. The work is expected to take approximately 30 mins, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

What if I have previously paid for this concern?

If you have already paid for this concern before the date of this letter, Jaguar is offering a refund. To qualify for a refund, during the recall repair service appointment, please provide your authorized Jaguar retailer with the original paid receipt.

To avoid delays, please do not send the receipt to Jaguar Land Rover NA, LLC.

Moved or no longer own this Jaguar vehicle?

If you are no longer the owner of this vehicle, Jaguar would appreciate the name and address of the new owner (if known); please fill out and return the enclosed return postage-paid card.

What should you do if you have further questions?

If you have any questions or concerns, please contact the Service Manager at your authorized Jaguar retailer for assistance. If you have any queries or concerns that your retailer cannot address, please contact the Jaguar Customer Relationship Center at **1-800-452-4827, Option 9** and one of our representatives will be happy to assist you.

You may also contact us by email using the following address: jagweb1@jaguarlandrover.com. Please include your full name, address, and VIN of your vehicle in your email.
