IMPORTANT SAFETY RECALL

Flashers and Turn Signals

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC, has decided that certain [2021 and 2022 Model Year (VF) Ram ProMaster] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108 – Lamps, reflective devices, and assoc. Equipment.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The left taillamps/turn signal lamps on your vehicle ^[1] may stop working due to a poor connection in a wire harness. **If the vehicle has left taillamps/turn signal lamps that are not working, it may reduce the vehicles visibility to other drivers, which can cause a crash without prior warning.**

The condition described above does not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 108 Table I-a which requires Turn Signal Lamps to "Flash when the turn signal flasher is actuated ..." and the Taillamps "Must be activated when the headlamps are activated."

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will inspect the harness and signal light functionality and replace the harness as necessary. The estimated repair time is 15 to 45 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
