IMPORTANT SAFETY RECALL

SCCM Internal Failure

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2023 and 2024 (DT) Ram 1500 Pickup] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 208 – Occupant Crash Protection.

RECALL DESCRIPTION

The Steering Column Control Module (SCCM) on your vehicle ^[1] may have been built with an insufficient weld between an internal flexible flat cable (FFC) and busbar. The SCCM may not allow a deployment signal from the Occupant Restraint Controller to reach the driver airbag module, preventing airbag deployment. **An airbag that does not deploy when intended may result in increased risk of injury to the driver in a crash.**

Federal Motor Vehicle Safety Standard (FMVSS) No. 571.208 requires driver's airbag deployment during certain crash events.

YOUR VEHICLE HAS ALREADY BEEN REMEDIED

According to our service records, the SCCM has already been inspected or replaced on your vehicle. Therefore, your vehicle has been remedied and no further action is required.

This notification is provided for your records only. There is nothing more that you need to do.

WHAT IF I HAVE QUESTIONS REGARDING THIS RECALL?

If you believe the SCCM in your vehicle ^[2] has not been replaced or have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either fcarecalls.com or 1 800-853-1403.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
