IMPORTANT SAFETY RECALL

NHTSA Recall No. 24V219

This notice applies to your vehicle, VIN

Dear Lamborghini Owner or Lessee,

Automobili
Lamborghini America LLC

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Automobili Lamborghini S.p.A. has decided that a noncompliance, which relates to motor vehicle safety, exists in certain Model Year 2024 Huracan vehicles. Our records indicate that you are the owner of a vehicle in this recall.

What is the issue?

The affected vehicles may have wrongly skipped the basic settings configuration of the high beam headlights. In the absence of the basic setting, it is possible that an error will be registered in the Headlamp Electronic Control Unit (ECU) which could cause the high beam to not activate when selected.

High beam headlights that do not activate as intended can reduce visibility, increasing the risk of a crash.

For the reasons set forth above, it is therefore necessary to update these vehicles. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

What Do You Need to Do?

You can still drive your car, however, please contact your preferred authorized Lamborghini dealer immediately to schedule an appointment to have this important repair performed, free of charge.

You can locate your nearest authorized Lamborghini Dealer at
<https://www.lamborghini.com/en-en/ownership/dealer-locator>.

What will Lamborghini do?

Affected vehicles will be inspected for proper activation of the high beams and will have the basic settings performed if necessary. The operation will take approximately 30 minutes. We apologize for any inconvenience this recall may cause.
