Subaru Safety Recall WRA-24
NHTSA Recall ID 24V-227
February 2026

Dear Subaru Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Subaru of America, Inc. (Subaru) has decided that a defect which relates to motor vehicle safety exists in certain 2020-2022 model year Legacy and Outback vehicles. You previously received a letter informing you of this recall, stating that the remedy parts were not yet available.

This letter is to inform you that parts are now available

DESCRIPTION OF THE DEFECT AND SAFETY RISK

Your vehicle may be equipped with defective Occupant Detection System (ODS) sensors on the front passenger seat, which may result in an internal short circuit. If this happens, the supplemental restraint system (SRS) warning light will illuminate and the front passenger airbag may deactivate even though the seat is occupied, increasing the risk of injury to the front passenger in the event of a crash.

WHAT SUBARU WILL DO

Subaru will replace all four of the ODS sensors on the front passenger seat in your vehicle with new ones at no cost to you.

WHAT YOU SHOULD DO

Please contact your Subaru retailer (dealer) immediately for an appointment to have the ODS sensors in your vehicle replaced at no cost to you.

If the supplemental restraint system (SRS) airbag system warning light is illuminated in your instrument panel, your vehicle may be experiencing symptoms related to this safety recall. Please contact your authorized Subaru retailer for further diagnosis and refrain from allowing passengers in the front passenger seat until the diagnosis is complete.

HOW LONG WILL THE REPAIR TAKE?

The time required for this repair is approximately one hour. Your retailer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to make your vehicle available for a longer period of time.

OWNER INFORMATION

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR
