Dear Kawasaki Motorcycle Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Kawasaki Motors Corp., U.S.A., has decided that a defect that relates to vehicle safety exists in certain 2024 Z900RS ABS, RS CAFE ABS & RS SE ABS model motorcycles.

What is the reason for this notice?

On some eligible units, the front tire may not conform to the safety standard (FMVSS119) due to an improper manufacturing process. Our records indicate that you have purchased one of these units.

What Kawasaki and your dealer will do:

At no cost to you, Kawasaki has authorized your dealer to inspect the lot number of your front tire and replace it if found to be within the specified lot number range. The repair will take up to one (1) hour but may take longer due to scheduling at the dealership and the time needed to obtain the required parts.

What should you do to ensure your safety?

Please call your Kawasaki dealer to schedule an appointment to have your motorcycle repaired. Please have your Vehicle Identification Number (VIN) ready when calling. To locate the nearest authorized Kawasaki motorcycle dealer, please visit www.kawasaki.com and click on the "LOCATE DEALER" link.

If you need help:

If you have questions or concerns that your dealer is not able to resolve, please contact Kawasaki's Customer Care Department at (866) 802-9381 (toll-free) between 7:00 a.m. and 4:00 p.m. PT Monday through Friday. Please have your Vehicle Identification Number (VIN) ready when calling.

If your dealer fails or is unable to remedy this defect without charge within a reasonable amount of time (60 days after your first attempt to obtain remedy), you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hotline at 1(888) 327-4236 (TTY: 1-800-424-9153); or go to <http://www.nhtsa.gov>.
