IMPORTANT SAFETY RECALL

NHTSA Recall Number: 24V338

This notice applies to your vehicle: **Insert VIN**

June 5, 2024

Dear Kia EV9 Owner:

Kia has identified a defect in your vehicle which relates to a noncompliance with Federal Motor Vehicle Safety Standards (FMVSS).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided that certain 2024 MY EV9 vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 208, "Occupant Crash Protection" and FMVSS No. 209, "Seat Belt Assemblies." The front passenger seatbelt automatic locking retractor (ALR) and/or emergency locking retractor (ELR) may not operate as intended, increasing the risk of injury in a crash. Our records indicate that you own or lease one of the affected vehicles.

What Is The Problem?

The retractor cover for the front passenger seatbelt assembly in your vehicle was not properly secured. An improperly secured retractor cover can cause the front passenger seatbelt automatic locking retractor (ALR) and/or emergency locking retractor (ELR) to not operate as intended, increasing the risk of injury in a crash.

Kia Will Replace the Front Passenger Seatbelt Assembly Free of Charge At No Cost To You.

Kia dealers will replace the front passenger seatbelt assembly with a new one. This recall will be performed **free of charge at no cost to you**. The estimated time required to perform this recall will be approximately one (1) hour but may take longer due to shop scheduling. We recommend scheduling a service appointment to minimize your inconvenience.

What Should You Do?

- **WARNING:** You may experience grinding noise during use of the front passenger seatbelt due to this condition. If you do, passengers should refrain from sitting in the front passenger seat location until this recall repair is completed as a precautionary measure.
- In the interest of the safety of your passengers, as well as your own safety, contact your authorized Kia dealer to arrange for the recall to be performed on your vehicle.
