# IMPORTANT SAFETY RECALL

## 2nd Row Middle Seatbelt Bolt Tightness

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2023 model year (WL) Jeep® Grand Cherokee] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 210 - Seat belt assembly anchorages.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The second-row seatbelt buckle on your vehicle <sup>[1]</sup> may have an insufficiently tightened fastener, which may result in reduced occupant restraint capabilities. **Reduced occupant restraint capabilities can increase the risk of injury to vehicle occupants in certain types of crashes.**

The condition above fails to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 210 S4.2.4 requires that, "Anchorages, attachment hardware, and attachment bolts shall be tested by simultaneously loading them in accordance with the applicable procedures "[...]". A seat belt buckle fastener that is insufficiently torqued may reduce load management capability and occupant restraint effectiveness, which may not be compliant to FMVSS 210.

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect and, if necessary, tighten the second-row seat buckle bolt to the proper specification. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
