

IMPORTANT SAFETY RECALL

NHTSA Recall No. 24V448

This notice applies to your vehicle(s) appearing on the attached list

July 2024

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*.

Micro Bird has decided that certain G5 school vehicles, year models 2011-2025, built on Ford or GM chassis between June 20, 2011, and May 30, 2024, fail to conform to Federal Motor Vehicle Safety Standard No. 210, "Seat Belt Assembly Anchorages." The buses are equipped with at least one tracked 2-place seat equipped with lap and shoulder seat belt.

So that we can notify you of recalls affecting your vehicle(s), it is important that you inform us of any change or error in your mailing address, vehicle ownership or status. Please send the completed form at the bottom of this letter to recall@microbird.com using Address/Ownership Change in the Subject area.

In certain vehicles, the tracked 2-place seats equipped with lap and shoulder seat belts may have been attached incorrectly, and in consequence, these vehicles may not be compliant with the requirements of Federal Motor Vehicle Safety Standards, Standard #210, "Seat belt assembly anchorages." In case of a crash, a seat that is not sufficiently attached may detach, increasing the risk of injuries.

To complete this recall,

locate the unit(s) in your fleet that appear on the attached List of Recalled Vehicles and inspect the 2-place seats equipped with 3-points seat belts and attached on tracks according to the Inspection instructions included with this letter. If correction of the seat attachment is required, contact a **Micro Bird dealer** to make an appointment to have the situation corrected, free of charge. The dealer will reattach tracked 2-place seats with the right hardware. Visit <https://www.microbird.com/dealers> to locate a Micro Bird dealer near you.

Micro Bird Corporation will reimburse parts and labor to mitigate this recall, but it will be your responsibility as owner to contact a Micro Bird dealer to have the defect corrected. Please, identify the vehicle(s) to correct so they can make sure to have the required parts on hand when you bring your vehicle(s). **We evaluate that it should take less than 30 minutes to repair each vehicle.**

What if you have already paid for this repair?

You may be eligible to receive a reimbursement for the cost of repairs made prior to receiving this notice. You may submit your receipts by email to recall@microbird.com using **24-108-TUS Reimbursement Request** in the Subject area.

Please send any question or concern regarding this recall campaign to recall@microbird.com, using **24-108-TUS** or **24V448** in the Subject area.

If you have leased this vehicle to another person or organization, you must forward this letter to the lessee within ten (10) days

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition.

If not possible to have your vehicle corrected at a Micro Bird dealer:

- 1- Visit the Recall portal at <https://supportclient.microbird.com>, log into your User account and select the **Recall 24-108-TUS** to download inspection and correction instructions

Note: If you have never registered on our Recall portal, use the Portal ID that appears on the List of Recalled Vehicles to create a User Account. Once created, on subsequent visits, you will only need your email address and password to access your User Account. Once a User account is created, we no longer print the Portal ID on the List of Recalled Vehicles.

- 2- Please have the correction applied at a certified garage.
- 3- Complete, for each of your vehicles, and sign, the form section of the List of Recalled Vehicles included with this Notification.
- 4- Once you have completed or declined the recall for all your vehicles, for reimbursement, transmit the completed and signed List of Recalled Vehicles and your detailed invoice(s) to a **Micro Bird dealer**.

Should Micro Bird Corporation Inc. fail or be unable to remedy the situation without charge, you may contact:

Associate Administrator, National Highway Traffic Safety Administration
