Subject: Safety Recall Campaign TSB55062401 – Outer Door Handles (2023 and 2024 Model Years Fisker Ocean)

Dear Fisker Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Fisker Group Inc. (Fisker) has decided that a defect, which relates to motor vehicle safety, exist in certain 2023 and 2024 model years Fisker Ocean vehicles. On certain vehicles, the outer door handles may stick, preventing customers from entering or exiting.

What is the issue?

The problem of the outer door handle sticking becomes critical when it prevents the vehicle's occupants from exiting, often caused by a malfunctioning door mechanism. This issue poses a safety concern, as it may trap individuals inside the vehicle during emergencies or urgent situations, increasing the risk of injury. Therefore, addressing this malfunction promptly is essential to ensure the safety and accessibility of the vehicle for its passengers.

What will we do?

Fisker will perform a free and thorough inspection of all four side door handles on each vehicle utilizing the specialized force checking tool provided by the outer door handle supplier.

If the force checking tool indicates any side door handle as "Not Okay," the outer handle will immediately be replaced free of charge. The inspection and repair are expected to take 2.5 hours to complete.

What should you do?

Fisker strongly advises promptly contacting your Fisker authorized service provider to arrange for a comprehensive inspection of all four outer door handles by a qualified Fisker technician.
