

IMPORTANT SAFETY RECALL

OWNER NOTIFICATION NOTIFICACIÓN PROPIETARIO

NHTSA Recall 24V-479

This notice applies to your vehicle, [VIN].

Dear Nissan Frontier Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2024 Model Year Nissan Frontier vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN above and on the inside of this notice.

Reason for Recall

Motivo del Retiro

The front right hand lower link in your vehicle may have been manufactured with an oversized ball joint. As a result, the ball joint press fit on the front right hand lower link may not meet specification and could result in ball joint disengagement. While the disengagement of the ball joint may not lead to an immediate separation, it could create a higher risk of corrosion over time and a subsequent separation of the ball joint from the lower link. Ball joint separation can cause a loss of steering control, increasing the risk of a crash.

What Nissan Will Do

Qué Hará Nissan

Your Nissan dealer will replace the front right hand lower link with a countermeasure part. This service, which is conducted at no charge to you for parts and labor, could take up to two and a half (2.5) hours to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

What You Should Do

Qué Debes Hacer

Please contact your local Nissan dealer in order to arrange an appointment to have your free vehicle repair as soon as possible. Please bring this notice with you when you keep your service appointment.

Comuníquese con su concesionario Nissan local para concertar una cita para la reparación gratuita de su vehículo lo antes posible. Traiga este aviso con usted cuando asista a su cita de servicio.
