

IMPORTANT SAFETY RECALL

July 2024

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2024 model year Chevrolet Blazer vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

<p>IMPORTANT</p> <ul style="list-style-type: none"> • Your vehicle is involved in GM recall N242448540. • Schedule an appointment with your GM dealer. • This service will be performed for you at no charge.
--

Why is your vehicle being recalled?

The right front lower control link in these vehicles may contain a manufacturing defect that may cause it to fracture. If the right front lower control arm fractures completely while in use, a driver may have reduced control of the vehicle, increasing the risk of a crash.

What will we do?

Your GM dealer will inspect and, if necessary, replace the right front lower control link. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately 1 hour and 45 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

When scheduling your appointment, confirm with the dealer that they are an EV certified dealer.

Do you have questions?

If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.
