# IMPORTANT SAFETY RECALL

## Left Rear Seat Back Latch

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2023 model year (LA) Dodge Challenger] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 207 - Seating systems.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle <sup>[1]</sup> may have been built with a misaligned left rear seat back striker that may prevent the seat back from latching. **If the seat back is not locked in an upright position, there is an increased risk of injury to the occupant of the seat or to any occupant in the vehicle from unrestrained cargo in a crash.**

The condition described above does not comply with Federal Motor Vehicle Safety Standard (FMVSS) No. 571.207 S4.3 requires that "a hinged or folding occupant seat or occupant seat back shall [ ... ] Be equipped with a self-locking device for restraining the hinged or folding seat or seat back." Suspect vehicles with a misaligned striker may not self-lock as required.

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect and, if necessary, adjust the striker. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
