This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the United States' *National Traffic and Motor Vehicle Safety Act*. Forest River has decided that certain 2025 Freelanders Class C Motorhome Recreational vehicles fail to conform to *Federal Motor Vehicle Safety Standard 120 Wheel and Rim Selection – other than passenger cars and 567 Certification*.

WHAT IS THE DEFECT?

The rear seating capacity may incorrectly indicate 30 seat belted positions, whereas it should only list 3 seat belted positions. The total number of seat belted positions remains correct at 5, regardless of the number listed for the rear, meaning the Cargo Carrying Capacity is calculated and listed correctly on the Federal Placard.

EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.

Incorrect capacity for the rear may lead to an operator overloading the vehicle, which may lead to a crash.

WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?

The remedy for this recall is included with this notification. Forest River has notified dealerships of this recall and has provided them with remedy instructions to install these Federal Placards if you are uncomfortable installing them yourself. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

WHAT SHOULD YOU DO?

Federal Placard Installation:

- The labels are located on the road side of the unit, low on the sidewall or on the upper deck on the same side and on the entry door;
- Wipe off the labels with isopropyl alcohol;
- Match the labels and carefully place the new labels directly on top of the old labels

If you are not comfortable with installing these labels:

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit www.forestriverinc.com for dealer locations.

HOW LONG WILL THE REMEDY PROCESS TAKE?

The estimated time of repair is .10 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.
