Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

DEALERSHIP INSTRUCTIONS

Please reference Safety Recall 85B.

IMPORTANT SAFETY RECALL

2nd Row Child Tether Anchor Weld

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2024 model year (WL) Jeep Grand Cherokee L] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 225 - Child restraint anchorage systems.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The 2nd row child tether anchor on your vehicle ^[1] may have been built with defective welds, which may result in reduced occupant restraint capabilities. **A tether anchorage separating from the vehicle seat may increase the risk of injury to the occupant of the child seat in a crash.**

The condition above fails to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) 225 S6.3.1 requires that, "Strength requirements for tether anchorages [...] when tested [...] in accordance with S8 [...] must not separate completely from the vehicle seat or seat anchorage or the structure of the vehicle." Vehicles built with insufficient weld from the seat back frame to the child tether may not meet the FMVSS 225 strength requirement for tether anchorages.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will reinforce the existing child tether anchor structure on the seat back frame. The estimated repair time is 20 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.

Customer Assistance/Field Operations
