Triple E Recreational Vehicles Recall CA#10584-1

NHTSA #24V596

This notice is sent to you in accordance with the requirements of the National Traffic & Motor Vehicle Safety Act. Triple E Recreational Vehicles has decided that a defect which relates to motor vehicle safety exists in certain 2024 Unity U24RL, U24TB, U24FX & U24MBL motorhomes manufactured between May 22, 2024 and June 10, 2024

### Description of Defect:

The RVMP generator propane fuel line hose is routed incorrectly and closer to the generator exhaust than recommended. This could cause the fuel line hose to become too hot and may become brittle and crack, a spark could ignite causing a fire and bodily injury.

### To Have This Modification Performed:

Please contact your nearest Triple E RV dealer to order the recall repair kit to have this performed at no charge to you. To properly protect the propane fuel line hose a shield will be installed. The time needed for installation is approximately 30 minutes. If you choose to have this Recall performed by a service center other than your dealer, order the necessary recall kit thru the email address [recalls@tripleerv.com](mailto:recalls@tripleerv.com) , prior authorization is required. The RV service center may require you to pay for work completed, submit the paid invoice along with receipt to [recalls@tripleerv.com](mailto:recalls@tripleerv.com) along with the signed return form enclosed.

**If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.**
