

IMPORTANT SAFETY RECALL NOTICE

NHTSA Recall No. 24V661

[Salutation and Name]
[Address 1]
[City]
[State/Province]
[ZIP/Postal Code]
[Country of Residence]

[Date]

Dear [Salutation and Name]

This notice applies to your vehicle with the following Vehicle Identification Number (“VIN”):

[ENTER VIN]

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

McLaren Automotive Inc. (“McLaren”) has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2020, 2021, 2022 and 2023 McLaren GT vehicles.

WHAT IS THE ISSUE

Each McLaren GT is fitted with a hood latch which can be opened by pressing the button on the key fob, pressing the button in the cabin, or by using the manual release cable which is situated approximate to the wheel arch of the driver-side door when opened.

McLaren has determined that the manual release cable of the hood latch may have excessive tension which potentially may cause the latch to open, causing an unexpected opening of the hood.

This may cause the hood to strike the windshield, and the hood is likely to then remain in an upright position, which would inhibit the visibility of the driver and increase the risk of a crash.

WHAT WILL MCLAREN DO?

McLaren will replace the hood latch system in the affected vehicles with a hood latch system of a different design, free of charge.

The replacement part is now available.

Please contact your preferred McLaren retailer as soon as possible to schedule an appointment to have the recall completed on your vehicle. Details of your nearest McLaren retailer can be found by visiting the McLaren Automotive website - <https://retailers.mclaren.com/en>.

In the meantime, you can continue to operate your vehicle.

OTHER IMPORTANT INFORMATION

If you are not the owner of the vehicle identified above because, for example, the vehicle:

1. has been sold or transferred;
2. is being leased and driven by another party; or
3. is primarily driven by a party not residing at the same address as you,

please contact our Client Services team via email at client.services@mclaren.com, as a matter of urgency.

If you have any questions or require further assistance, please contact McLaren's Client Services department at 855-202-8815 or at clientservicesna@mclaren.com.

If you believe that McLaren has failed or is unable to remedy the defect without charge within a reasonable time, please contact us at the number shown above.

If your dealer fails or is unable to remedy this defect without charge, or within a reasonable amount of time, you may submit a written complaint to Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1 888 327 4236 (TTY: 1-800-424-9153); or go to <http://www.nhtsa.gov>.

If you have leased any of the above-referenced vehicles to another person, Federal regulations require you to send a copy of this notice to the lessee by first-class mail within ten days of your receipt of this notice.

We sincerely regret any inconvenience and concern this recall and remedial action may cause you. However, your safety is our highest priority, and we kindly ask for your cooperation in this matter.

Yours sincerely
