IMPORTANT SAFETY RECALL

Turn Signal Lever Latch

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2023 and 2024 (DT) Ram 1500 Pickup] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108 - Lamps, reflective devices, and assoc. Equipment.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

The Steering Column Control Module (SCCM) on your vehicle ^[1] **may have been built with mechanisms within the turn signal lever that experience an interference condition that disables the self-cancelling function. A turn signal which does not self-cancel and remains active after a completed turn may cause surrounding drivers to misunderstand the intent to change vehicle direction which can cause a vehicle crash without prior warning.**

The condition above fails to conform to the requirements of FMVSS No. 571.108 S9.1.1 which requires that "The turn signal operating unit must be self-canceling by steering wheel rotation and capable of cancellation by a manually operated control." A SCCM with an interference condition may not allow the self-canceling feature to function correctly.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will inspect and if necessary, replace the SCCM. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
