IMPORTANT SAFETY RECALL

This Notice Applies to Your Recreational Vehicle «unit serial »

Name
 Address
 City, St. Zip

Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco, Inc. has decided that certain model year 2021-2025 Entegra Ethos, Ethos LI, and Jayco Swift, Swift LI Class B motorhomes fail to conform to the requirements Federal Motor Vehicle Safety Standard number 110, "Tire Selection and Rims."

- Reason for this recall*** The Tire and Loading Information Label incorrectly lists the tire load range. The tire load range listed on the label is C and should be listed as E. The incorrect tire and load range information could cause owners to select underrated replacement tires, increasing the risk of a crash.
- Recall Remedy*** Remove the incorrect Tire and Loading Information label and attach the new correct label. The remedy will take approximately 15 minutes to complete. The recall remedy is free of charge.
- What we need you to do*** You can install the correct label on your motorhome or you can contact an authorized Jayco Inc. dealer and schedule an appointment to have them install the label for you. To locate a Jayco Inc. or Entegra Coach dealer go to www.jayco.com or www.entegracoach.com. You can also call 800-283-8267. The correct label and installation instructions are enclosed.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you no longer own this vehicle, please contact Jayco Customer Service at 800-283-8267.

If you had this repair completed prior to receipt of this recall notice, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. Submit an email to service@jayco.com including your name, address, VIN, recall number, and a clear, legible receipt showing the identification of the product that was recalled.

If your dealer does not remedy this condition at no charge, please contact our Customer Service Department at 800-283-8267. If you are unable to get this safety defect remedied without charge and/or within a reasonable amount of time after contacting your dealer and Jayco customer service, you may want to contact NHTSA. To submit a written complaint contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We certainly regret this inconvenience; however, your safety is our most important priority.

Sincerely,

Compliance Management
 Jayco Inc. Motorized Division

IMPORTANT SAFETY RECALL CAMPAIGN

NHTSA # 24V-762

Remove existing label

1. Class B models locate the label on the inside of the driver's door side B-pillar or rear edge of the driver's door (doorjamb).
2. Remove the existing label. Using isopropyl alcohol and a shop rag, remove any adhesive residue from the surface where the original label was removed.
 - a. Allow the area to dry for at least 30 seconds.

The Tire and Loading Information Label below is only an example of the label you are to replace.

Tire and Loading Information Label

Apply new label

1. Remove the protective back from the new label. Align the new label in the same location of the original label and apply it to the surface. Remove any air bubbles from the label.
 - a. Note: Do not attempt to remove or adjust the label once it has touched the surface. Doing so may damage the label or cause it not to adhere properly to the surface.

If a label is damaged or will not properly adhere to the surface, please request a new label at compliance@jayco.com and we will send a new label.
