## **IMPORTANT SAFETY RECALL**

### **NHTSA Recall No. 24V765**

**This notice applies to your vehicle, VIN**

Automobili

Lamborghini America LLC

Dear Lamborghini Owner or Lessee,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Automobili Lamborghini S.p.A. has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 24 Revuelto vehicles. Our records indicate that you are the owner of a vehicle in this recall.

#### **What is the issue?**

In the affected vehicles the connecting rod between the passenger wiper arm and the wiper motor may bend causing its separation from the wiper motor. If the connecting rod separates, the wiper becomes inoperative.

Inoperative windshield wipers can reduce visibility in certain conditions, increasing the risk of a crash.

For the reason set forth above, it is therefore necessary to update these vehicles. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

#### **What Do You Need to Do?**

Customers can still drive their cars, however, we encourage you to contact your authorized Lamborghini dealer to schedule an appointment to have this important free update performed as soon as possible. Please bring this letter and your Service Booklet with you when you visit the dealer, so that we can make all necessary entries.

#### **What will Lamborghini do?**

Affected vehicles will have the wiper system connecting rod replaced with an improved part, free of charge. The operation will take approximately 2 (two) hours. We apologize for any inconvenience this recall may cause.

**If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within ten days.**
