

2025 Rivian R1S & R1T
Deactivated Exterior Lighting

NHTSA Recall No. 24V-827
Rivian Recall No. FSAM-1552

IMPORTANT SAFETY RECALL

This notice applies to your vehicle, VIN XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Rivian Automotive, LLC has decided that a defect which relates to motor vehicle safety exists in certain model year 2025 Rivian R1S and R1T vehicles. Our records show that you are the owner of a vehicle affected by this condition. **As your vehicle has been previously received an over-the-air software update for this defect, no action is required on your part.**

What is the problem?

Certain exterior vehicle lighting may have been unavailable during vehicle operation if the Car Costume feature was activated after the vehicle had entered the "Ready" state. Diminished lighting performance may cause reduced visibility in certain conditions. Reduced visibility may increase the risk of a crash.

What will Rivian do?

Rivian disabled the feature at issue in affected vehicles to remedy this condition and implemented a new software update (2024.39.31) to re-enable the Car Costume feature. All impacted vehicles were remedied on the same day, October 18, 2024, that the issue was identified.

What should you do?

No action is required. All impacted vehicles were remedied with an over-the-air software update on the same day, October 18, 2024, that the issue was identified. Information about this recall is listed on our website. <https://rivian.com/support/article/recall-information>
