Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- This service will be performed for you at **no charge**.

Why is your vehicle being recalled?

These vehicles may be missing the required rear vision camera video display because the wrong inside rearview mirror was installed. If the rear vision camera display is missing, there is increased risk of a crash during a backing event.

What will we do?

Your GM dealer will inspect and replace the inside rearview mirror, if necessary. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately 20 minutes.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.
