**DEALERSHIP INSTRUCTIONS**

Please reference Safety Recall B9B.

# IMPORTANT SAFETY RECALL

## Trailer Tow Lighting

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2024 model year (JL) Jeep® Wrangler] vehicles equipped with a 6-speed manual transmission and trailer tow option, fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108 Lamps, reflective devices, and associated equipment.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle <sup>[1]</sup> equipped with the trailer tow option, may have been built with an incorrect dash wiring harness that prevents the trailer lighting from functioning. **Trailers with inoperative trailer lighting may result in an approaching vehicle being unaware of the change of direction or speed of the vehicle and trailer, which can cause a vehicle crash without prior warning.**

The condition above fails to conform to the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 571.108, "Lamps, Reflective Devices, and Associated Equipment." requires trailer lighting to be operational. The affected vehicles were built with an incorrect dash wiring harness which may result in all trailer lighting being inoperative.

### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect and, if necessary, replace the dash wiring harness. The estimated repair time is six hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR, CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
