# **IMPORTANT SAFETY RECALL**

## **Speedometer Lag**

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2024 Model Year (WL) Jeep® Grand Cherokee/Grand Cherokee L] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 101 - Control and displays.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### **WHY DOES MY VEHICLE NEED REPAIRS?**

The Instrument Panel Cluster (IPC) on your vehicle <sup>[1]</sup> may have been incorrectly programmed, which can cause the speedometer to display incorrect vehicle speed. **A speedometer that displays incorrect vehicle speed may increase the risk of a crash without prior warning.**

The condition above fails to conform to the requirements of FMVSS No. 571.101, "Displays and Controls" which requires that the speedometer accurately display vehicle speed. Suspect vehicles may experience a delay in the speedometer displaying the correct vehicle speed.

#### **HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?**

FCA US LLC will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will inspect and, if necessary, reprogram the IPC with corrected software. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### **WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?**

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
