RE: Notice of Recall: **NHTSA 24V919**

This notice is sent to you in accordance with the requirements of the **National Traffic and Motor Vehicle Safety Act**. Roadtrek Inc. has decided that a defect which relates to 2nd row safety seat belt not retracting fully exists in all Westfalia Wave vehicles manufactured from 06th March 2024 through 09th December 2024.

Roadtrek Inc. has issued **Recall ID 2024-01** for Westfalia Wave vehicles due to the safety seat not having proper tension when in retracted position which may result in an increased risk of injury in the event of crash or impact. **Please do not use the safety seat belts on the 2nd row seat until the Corrective Action has been implemented.**

The **Corrective Action** requires that you contact a Westfalia Dealer of your choice to arrange to get the seat belts repaired. Dealer to contact Roadtrek Inc. to obtain seat belt guide brackets and the hardware, then book an appointment with you to have the repair performed. Please be assured that the repair will be performed at no cost to you. This remedy will take approximately 1hour. We regret any inconvenience these actions may cause.

If you have had this repair performed before you received this letter you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. **For more information, please contact Roadtrek Inc., at 1-888-762-3873.**

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If this notification is inadequate or the corrections are not made in accordance with this notification within 60 days, you may advise the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
