IMPORTANT SAFETY RECALL
NHTSA Recall #24V928
Oshkosh Defense Recall #NGDV_TSB_024

Ref: This notice applies to your vehicle, VIN:

Dear Oshkosh Defense Vehicle Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Oshkosh Defense has decided that certain 2025 Next Generation Delivery Vehicles manufactured between June 1, 2024 & December 5, 2024 fail to conform to Federal Motor Vehicle Safety Standard 571.111 "Rear Visibility". Specifically, the overhead driver's display may intermittently show a blank screen which does not allow for the rear-view image to be visible when the vehicle is placed into reverse. If the rear-view image does not display as required, this can increase the risk of a crash during a backing event.
