

SAFETY RECALL NOTICE
NHTSA RECALL No. 24V-931

This notice applies to your vehicle,

June 19, 2025

Dear Featherlite Trailer Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Featherlite, Inc., has decided that a defect, which relates to motor vehicle safety, exists in certain **Featherlite models 7841, 8581, 9807 & 9808 living quarters horse trailers**. This defect involves improper installation of the gas plumbing in the cooktop. A failure of the rubber hose can result in a fire.

Your trailer has been identified as included in this recall. **You should discontinue use of the cooktop until the rubber gas line has been moved and a copper extension line installed.** You should contact Featherlite warranty at 800-800-1230 option 2 immediately so they can send out a repair kit and instructions to have installed. The dealer or authorized repair shop should be able to make the necessary repairs once you have the repair kit. These repairs will be made at no charge to you.

The repair will take about ½ hour to complete. However, additional time may be required depending on how dealer appointments are scheduled and processed.

Federal regulations require that any vehicle Lessor receiving this recall notice must forward a copy of this notice to the lessee within ten (10) days.

If you longer own this vehicle, please contact the Featherlite warranty department at 800-800-1230 or 563-547-6000 option 4 and have your VIN number available.

If you believe that Featherlite Trailer Manufacturing LLC has failed or is unable to remedy the defect without charge within a reasonable time, you may submit a complaint to:
