This notice applies to your vehicle, 

NHTSA Recall No: 24V-967

Dear Tesla Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Tesla, Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain model year 2024–2025 Model S and Model X vehicles. Our records indicate that you are the owner of a vehicle affected by this action.

**REASON FOR THIS RECALL**

On affected vehicles, the driver airbag may have been damaged during supplier assembly process. When coupled with a deep fold in the airbag fabric or positioning of the heat diffuser, the damage could cause a tear during deployment. An airbag that tears during deployment may not perform to design specifications, increasing the risk of injury during a crash.

**WHAT TESLA WILL DO**

At no charge to the customer, Tesla will replace the recalled driver airbag assembly with an airbag of certified quality.
