Template Version 1.0

Revision	Edition	Detail
0	March 2024	Initial Version.

SYMPTOM DESCRIPTION

About 1,200 of the above vehicles may have been built with a manufacturer label that is missing rim and tire size designation information. Relying on incorrect rim and tire size designation information can result in the use of an incorrect wheel, which can increase the risk of a crash.

Federal Motor Vehicle Safety Standard (FMVSS) 571.110 S4.3.3 "Additional Labeling Information for Vehicles Other Than Passenger Cars" requires "Each vehicle shall show the size designation and, if applicable, the type designation of rims (not necessarily those on the vehicle) appropriate for the tire appropriate for use on that vehicle, including the tire installed as original equipment on the vehicle by the vehicle manufacturer" to be printed on the manufacturer label. Subject vehicles are equipped with a manufacturer label that is missing the size designation of the rims.

SCOPE

NOTE: Some vehicles above may have been identified as not involved in this recall and therefore have been excluded from this recall.

IMPORTANT:

- Some of the involved vehicles may be in dealer new vehicle inventory. Federal law requires you to complete this recall service on these vehicles before retail delivery. Violation of this requirement by a dealer could result in a civil penalty of up to \$27,168 per vehicle.
- Some of the involved vehicles may be in dealer used vehicle inventory. Dealers should complete this recall service on these vehicles before retail delivery.
- Dealers should also perform this recall on vehicles in for service.

Involved vehicles can be determined by using the VIP inquiry process.

REPAIR TO BE PERFORMED

Install an overlay label to the Manufacturer label.

ALTERNATE TRANSPORTATION

Dealers should attempt to minimize customer inconvenience by placing the owner in a loaner vehicle if the vehicle must be held overnight.

COMPLETION REPORTING / REIMBURSEMENT

Claims for vehicles that have been serviced must be submitted on the DealerCONNECT Claim Entry Screen located on the Service tab. Claims paid will be used by FCA to record recall service completions and provide dealer payments.

Use the following labor operation numbers and time allowances:

Labor Description	Number	Hrs
Apply Overlay Label to the Manufacturer Label	23-32-B1-82	0.2

Labor Description	Number	Allowance
Floor Plan Reimbursement	95-95-95-97	Calculate See Below

Floor Plan Reimbursement represents the vehicle's average daily allowance (see table below) multiplied by the number of days the vehicle was in dealer inventory and not available for sale. This reimbursement is limited to the number of days from the date of the stop sale to the date that the remedy was made available. Note: If the vehicle was received by your dealership (KZX date) AFTER the stop sale date, you will use the KZX date instead of the stop sale date. For this Recall, the stop sale was initiated on 03/26/2024 and the remedy was made available on 03/28/2024, therefore, the number of days cannot exceed 2 days.

Vehicle	Average Daily Allowance
(GG) Dodge Hornet	██████
(GC) Alfa Romeo Tonale	██████

NOTE: See the Warranty Administration Manual, Recall Claim Processing Section, for complete recall claim processing instructions.

PARTS INFORMATION

Labels will be sent to the owners in the owner letter and mailed to dealers based on unsold VINs. There are no part numbers for the labels. Replacement labels can be ordering via DealerConnect.

Process Steps to Order a Replacement Manufacturer Overlay Label:

1. Access the “DealerCONNECT” website.
2. Select the “Marketing” link in the header of DealerCONNECT.
3. Locate the “Product Information” section heading on the Marketing page.
4. Select the “Literature and Merchandising Materials” link in the product information section.
5. Locate the “MOPAR” section heading on the Literature and Merchandising Materials page.
6. Select the “Recall Labels / Cards” link listed in the MOPAR section.
7. Select Item > Update Cart > Submit Order.

PARTS RETURN

No parts return required for this campaign.

SPECIAL TOOLS

No Special Tools are required to perform this service procedure.

DEALER NOTIFICATION

To view this notification on DealerCONNECT, select “Global Recall System” on the Service tab, then click on the description of this notification.

OWNER NOTIFICATION / SERVICE SCHEDULING

All involved vehicle owners known to FCA are being notified of the service requirement by first class mail. They are requested to schedule appointments for this service with their dealers. A generic copy of the owner letter is attached.

VEHICLE LISTS, GLOBAL RECALL SYSTEM, VIP AND DEALER FOLLOW UP

All involved vehicles have been entered into the DealerCONNECT Global Recall System (GRS) and Vehicle Information Plus (VIP) for dealer inquiry as needed.

GRS provides involved dealers with an updated VIN list of their incomplete vehicles. The owner’s name, address and phone number are listed if known. Completed vehicles are removed from GRS within several days of repair claim submission.

To use this system, click on the “Service” tab and then click on “Global Recall System.” Your dealer’s VIN list for each recall displayed can be sorted by: those vehicles that were unsold at recall launch, those with a phone number, city, zip code, or VIN sequence.

Dealers must perform this repair on all unsold vehicles before retail delivery. Dealers should also use the VIN list to follow up with all owners to schedule appointments for this repair.

Recall VIN lists may contain confidential, restricted owner name and address information that was obtained from the Department of Motor Vehicles of various states. Use of this information is permitted for this recall only and is strictly prohibited from all other use.

ADDITIONAL INFORMATION

If you have any questions or need assistance in completing this action, please contact your Service and Parts District Manager.

Customer Services / Field Operations
 FCA US LLC.

SERVICE PROCEDURE

1. Locate the manufacturer label on the vehicle driver side B-pillar (Figure 1).

Figure 1 – Locate Manufacturer Label Location

2. Obtain the **NEW** manufacturer overlay label for the vehicle and verify the overlay label is appropriate for the vehicle based on engine and tire size the vehicle is equipped with.

Overlay 1	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 225/55R18 tires Use overlay with GVWR of 2420 kg/5335 lb and 225/55R18 tires
Overlay 2	If vehicle is equipped with a 2.0L Engine and 225/55R18 tires Use overlay with GVWR of 2250 kg/4960 lb and 225/55R18 tires
Overlay 3	If vehicle is equipped with a 2.0L Engine and 235/40R20 tires Use overlay with GVWR of 2250 kg/4960 lb and 235/40R20 tires
Overlay 4	If vehicle is equipped with a 2.0L Engine and 215/60R17 tires Use overlay with GVWR of 2250 kg/4960 lb and 215/60R17 tires
Overlay 5	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 235/40R20 tires Use overlay with GVWR of 2420 kg/5335 lb and 235/40R20 tires
Overlay 6	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 235/45R19 tires Use overlay with GVWR of 2420 kg/5335 lb and 235/45R19 tires

3. Use isopropyl alcohol or window cleaner and a clean cloth to remove any wax, oil, dust, and debris from the existing manufacturer label.

4. Allow the isopropyl alcohol or window cleaner to fully evaporate before applying the overlay label.
5. Apply appropriate overlay label to the manufacturer label in the original position and with the same text orientation to correct the information (Figure 2).
6. Apply pressure to the entire surface of the manufacturer overlay label with firm overlapping strokes removing all wrinkles and air bubbles. Using a tool such as a squeegee is allowed.

Figure 2 – Install Manufacturer Overlay Label

7. Return the vehicle to the customer or inventory.

- 1. RECOMMENDED OPTION**
Call your authorized Chrysler / Dodge / Jeep® / RAM Dealership.
- 2. Call the FCA Recall Assistance Center at 1-800-853-1403.** An agent can confirm part availability and help schedule an appointment.
- 3. Visit recalls.mopar.com, scan the QR code below, or download the Mopar Owner's Companion App.**

QR Code

Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

DEALERSHIP INSTRUCTIONS

Please reference Safety Recall 32B.

IMPORTANT SAFETY RECALL

Manufacturer label

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that certain [2024 model year (GG) Dodge Hornet] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 110 - Tire selection and rims.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle ^[1] may have been built with a manufacturer label that is missing rim and tire size designation information. **Relying on incorrect rim and tire size designation information can result in the use of an incorrect wheel, which can increase the risk of a crash.**

Federal Motor Vehicle Safety Standard (FMVSS) 571.110 S4.3.3 "Additional Labeling Information for Vehicles Other Than Passenger Cars" requires "Each vehicle shall show the size designation and, if applicable, the type designation of rims (not necessarily those on the vehicle) appropriate for the tire appropriate for use on that vehicle, including the tire installed as original equipment on the vehicle by the vehicle manufacturer" to be printed on the manufacturer label. Subject vehicles are equipped with a manufacturer label that is missing the size designation of the rims.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

You may choose to apply the enclosed overlay label using the instruction as described on the enclosed instructions letter. Or if you prefer not to install the label yourself, simply contact your dealer to schedule a service appointment. FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will apply the manufacturer label overlay with corrected information. The estimated repair time is 20 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. **Please bring the enclosed overlay label and this letter with you to your dealership.**

**TO SCHEDULE YOUR FREE REPAIR,
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.

SAFETY RECALL 32B - MANUFACTURER LABEL OWNER INSTRUCTIONS

INSTALL THE MANUFACTURER OVERLAY LABEL BY FOLLOWING THE PROCEDURE BELOW:

1. Locate the manufacturer label on the vehicle driver side B-pillar (Figure 1).

Figure 1 – Locate Manufacturer Label Location

2. Obtain the **NEW** manufacturer overlay label for the vehicle.

NOTE: Only one overlay label will be supplied depending on your vehicle type. Please verify the overlay label is appropriate for the vehicle based on engine and tire size the vehicle is equipped with.

- If you believe you received an incorrect overlay label, please contact your dealer.

Overlay 1	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 225/55R18 tires Use overlay with GVWR of 2420 kg/5335 lb and 225/55R18 tires
Overlay 2	If vehicle is equipped with a 2.0L Engine and 225/55R18 tires Use overlay with GVWR of 2250 kg/4960 lb and 225/55R18 tires
Overlay 3	If vehicle is equipped with a 2.0L Engine and 235/40R20 tires Use overlay with GVWR of 2250 kg/4960 lb and 235/40R20 tires
Overlay 4	If vehicle is equipped with a 2.0L Engine and 215/60R17 tires Use overlay with GVWR of 2250 kg/4960 lb and 215/60R17 tires
Overlay 5	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 235/40R20 tires Use overlay with GVWR of 2420 kg/5335 lb and 235/40R20 tires
Overlay 6	If Plug-in Hybrid Electric Vehicle with 1.3L Engine and 235/45R19 tires Use overlay with GVWR of 2420 kg/5335 lb and 235/45R19 tires

3. Use isopropyl alcohol or window cleaner and a clean cloth to remove any wax, oil, dust, and debris from the existing manufacturer label.
4. Allow the isopropyl alcohol or window cleaner to fully evaporate before applying the overlay label.
5. Apply appropriate overlay label to the manufacturer label in the original position and with the same text orientation to correct the information (Figure 2).
6. Apply pressure to the entire surface of the manufacturer overlay label with firm overlapping strokes removing all wrinkles and air bubbles. Using a tool such as a squeegee is allowed.
