Ref.: **NHTSA recall reference #: 24V-277**

Dear Setra Owner,

Safety Recall completion is an important part of our commitment to customer satisfaction of Daimler Coaches products.

As previously stated in the initial safety recall notification forwarded to you on May 23, 2024, 2024, and the renotification forwarded to you on January 16, 2025, our records indicate that your vehicle falls within the parameters of this Safety Recall regarding the Threshold Warning kit. One of the beacons from the kit that is mounted directly above the doorway of the wheelchair lift does not display the correct wattage and therefore may increase the risk of injury.

Ricon, the manufacturer of the lift installed in your affected Setra vehicle, is providing parts and labor required to accomplish the recall AT NO COST.

To arrange for the replacement of the TWS, please contact Ricon Customer Service at (800) 322-2884 or email Ricon's Recall Coordinator at [admin23e091@Wabtec.com](mailto:admin23e091@Wabtec.com) or by locating the nearest Ricon servicing dealer using the locator on the Ricon website – [www.riconcorp.com](http://www.riconcorp.com). Ricon estimates the repair time to be approximately 0.5 hours, excluding vehicle and shop logistics.

In the event your communication attempts with Ricon are not met in a timely manner, you can contact DCNA Customer Service Line at 1-800-206-9728 or your local Daimler Coaches Technical Support.

DCNA strongly urges you to perform the recall inspection work on your vehicle(s) as soon as possible.

After contacting Ricon Recall Coordinator or DCNA Customer Service, if you are still unable to have the safety defect remedied without charge and within a reasonable time, you may submit a complaint to:
