This notice applies to your vehicle: «VIN»

Dear «POLKNAME»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

**Our records indicate  
YOUR UNIT HAS NOT BEEN  
REMEDIED.  
Please **DO NOT** ignore this notice!**

Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in certain model 2024 Aspen Trail, Colorado, Springdale, Hideout Travel Trailers. As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for  
this recall***

It has been decided that the vehicles in the recall population have experienced loose sidewall metal in transit. Under certain conditions during travel, sidewall metal may become dislodged leading to an increased risk of crash and personal injury.

***What we  
will do***

Keystone representatives have been in contact with the staff at your selling dealership regarding this situation. The remedy is to install the metal logo(s) to the sidewall using 4 screws in each logo in the described location for each model. The service and parts required for this corrective action will be provided at no charge to you.

***What we  
need you to  
do***

If the sidewall metal is loose in any area, be sure to resecure that area before towing the unit. As soon as possible, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately 1 hour. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.

***If you have questions***

Your dealer is best equipped to obtain parts and provide service to ensure your RV is corrected as promptly as possible. Please contact Keystone Customer service if your dealer is unable to assist or if you take your RV to your dealer on the agreed service date, and the dealer does not remedy the condition within a reasonable amount of time, or without charge to you. You may be eligible to receive reimbursement if you paid to have the defect resolved prior to receiving this correspondence. Keystone Customer Service is available toll-free at 1-866-425-4369.

**BE ADVISED –  
Damage caused by failure to have the recall remedy completed will be the responsibility of the owner.**

If after contacting Keystone Customer Service you are still not satisfied we have done our best to remedy this situation, you may also submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590. You may call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153; or go to <http://www.nhtsa.gov>.) Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
