IMPORTANT SAFETY RECALL

NHTSA Recall No. 24V-526

This notice applies to your vehicle

Dear Terex Equipment Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

REASON FOR NOTICE

Terex South Dakota, Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain 2014-2020 XT Pro model aerial devices manufactured prior to August 2020, that were equipped with the new style replacement basket brackets purchased from November 19, 2020 through June 10, 2024.

The new style replacement basket brackets as noted above may not be compatible with the original basket retaining pins on models manufactured prior to August 2020. If both basket retaining pins disengage, the basket may tilt which can cause personal injury to the occupants of the basket.

WHAT TEREX WILL DO

Terex will provide Field Service Kit Z1724, parts and labor, at no cost to the purchaser of the replacement brackets. The Field Service Kit Z1724 provides basket retaining pins and hardware to replace the original basket retaining pins. The remedy will take approximately one (1) hour to complete.

Locate your nearest Terex Utilities Service Center by visiting our website at www.terexutilities.com and select the Service tab. To schedule repairs with Terex Utilities Field Service, call 1-844-837-3948. The Terex Utilities Warranty Department can also be reached at 1-844-837-3948 or by email at utilities.warranty@terex.com. Repairs can also be coordinated through our Dealer Service network as noted on the map included with this mailing.

WHAT THE OWNER MUST DO

1. Immediately inform all users, operators, and supervisors of the contents of the bulletin.
2. Before the next use of the aerial device, inspect for compatibility of the basket bracket and the basket retaining pins the figures in the bulletin as reference. Each basket retaining pin must extend through the basket bracket tube and the pin must have a method of retainment when the pin is fully installed such as retaining balls or secondary locking pins.

CONTINUED USE

1. If the basket bracket and basket retaining pins are not compatible, do not use the aerial device until the machine is corrected.
2. If the basket bracket and basket retaining pins are compatible, complete and return the completion form; no further action is required.
3. Always follow all operation, inspection, and maintenance requirements as specified in the manuals.

Terex South Dakota, Inc.
3140 15th Ave SE
Watertown, SD 57201 USA
1-844-837-3948 • Fax 1-605-882-1842

If you have any questions you can find your nearest dealer at this web site;
<http://www.terex.com/utilities/en/products/dealer-locator/index.htm>.

If you take your unit to your dealer on the agreed service date and they do not remedy this condition on that date or within three (3) working days of scheduled appointment, we recommend you contact Terex Utilities Warranty department by calling 1-844-837-3948.

Note to Owners: If the manufacturer or their dealer has failed or is unable to remedy the defect/noncompliance condition without charge or within a reasonable amount of time you can notify:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey Avenue, SE, West Building,
Washington, DC 20590

Or call the toll-free DOT auto Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153; or go to <http://www.safercar.gov>.)

If you have had your unit repaired for this issue prior to receipt of this notice, you may be eligible for reimbursement. For more information, please contact Terex Utilities at the above contact information.

If you have sold or retired the unit please let us know by contacting the Terex Utilities Warranty department at 1-844-837-3948 or send the serial number and new owner contact information to utilities.warranty@terex.com . Forward this Notice and any other uncompleted bulletins to the new owner within 10 days of receipt of this letter.

If you have leased this vehicle to another person, forward a copy of this notice to the lessee within ten days of your receipt of this notice.

Thank you for your immediate attention on this important matter,

Rory Lindner
Warranty Manager

SAFETY NOTICE

SN729

DATE: 7/18/2024

REVISED:

TO: Owners, Users, Dealers, and Installers

MODELS AFFECTED: XT Pro Aerial Device

SUBJECT: Replacement Basket Bracket

Issue:

Terex South Dakota, Inc. has identified a potential defect relating to motor vehicle and operational safety may exist in XT Pro model aerial devices manufactured prior to August 2020 when equipped with the new style replacement basket brackets purchased from November 19, 2020 through June 10, 2024.

The new style replacement basket brackets as noted above may not be compatible with the original basket retaining pins on models manufactured prior to August 2020. **If both basket retaining pins disengage, the basket may tilt which can cause personal injury to the occupants of the basket.**

Action:

What the Owner Must Do:

1. Immediately inform all users, operators, and supervisors of the contents of this bulletin.
2. Before the next use of the aerial device, inspect for compatibility of the basket bracket and the basket retaining pins using Figures 1 through 4 at the end of this bulletin as reference. Each basket retaining pin must extend through the basket bracket tube and the pin must have a method of retainment when the pin is fully installed such as retaining balls or secondary locking pins.

Continued Use:

1. If the basket bracket and basket retaining pins are not compatible, do not use the aerial device until the machine is corrected.
2. If the basket bracket and basket retaining pins are compatible, complete and return the completion form; no further action is required.
3. Always follow all operation, inspection, and maintenance requirements as specified in the manuals.

What Terex will Do:

Terex will provide Field Service Kit Z1724, parts and labor, at no cost to the purchaser of the replacement brackets. The Field Service Kit Z1724 provides basket retaining pins and hardware to replace the original basket retaining pins. The remedy will take approximately one (1) hour to complete.

Locate your nearest Terex Utilities Service Center by visiting our website at www.terexutilities.com and select the Service tab. To schedule repairs with Terex Utilities Field Service, call 1-844-837-3948. The Terex Utilities Warranty Department can also be reached at 1-844-837-3948 or by email at

utilities.warranty@terex.com. Repairs can also be coordinated through our Dealer Service network as noted on the map included with this mailing.

If you have sold the unit involved in this bulletin forward this bulletin to the new owner within 10 days and notify Terex of the serial number and contact information for the new owner.

Dealers, Owners, and Installers: A letter is being sent to all purchasers of affected brackets. Dealers, if machines with affected brackets are in your area, the customer may contact you to arrange the repairs. Labor allowance is \$150 per machine to replace the basket retaining pins and retaining hardware.

Only XT Pro models that had the basket bracket replaced during the timeframe listed in this bulletin are involved. Dealers, if the owner contacts you call Terex Utilities Warranty Department at 1-844-837-3948 for instructions.

Parts orders of affected brackets, as shown on the owner letter, will have the repairs performed at no charge to the owner. It will take approximately one (1) hour to complete the repair.

Important: Some of the involved units may be in rental fleets. Federal Law requires you to complete the recall service on these units before renting, or to inform the renters within 10 days of receipt of this bulletin.

Note to Owners: If the manufacturer or their dealer has failed or is unable to remedy the defect/noncompliance condition without charge or within a reasonable amount of time you can notify:

Administrator
National Highway Traffic Safety Administration
1200 New Jersey Avenue, SE, West Building
Washington, DC 20590

Or call the toll-free DOT auto Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153; or go to <http://www.safercar.gov> .)

Terex and local industry standards (CSA and ANSI) require the purchaser of a Terex unit report to Terex the model and serial number of each machine sold, as well as the name, address, and telephone number of the new owner, within 60 days of the sale. Use the Owner Update Form in the manual to update the owner status of any of your machines. Terex also asks the seller to provide the new owner information so if you require additional copies of the Owner Update Form or have any questions, please contact Terex Utilities Warranty Department at 1-844-837-3948 or utilities.warranty@terex.com.

Terex, OSHA and local industry standards, also require that the manufacturer's bulletins be completed. It is your responsibility to communicate this important information to all machine owners and applicable branches. If you require additional copies of this bulletin or have any questions, please contact Terex Utilities at 1-844-837-3948.

*Unit Serial Number: _____ (10 digits)

*Ref original Sales Order# or Purchase Order# _____

SERVICE PERFORMED BY (*REQUIRED)

* Date of Repair or Inspection _____

* Service Technician (ST) completing work: _____

* ST Company Name: _____ ST Location: _____

ST Contact Number: _____

*** CHECK TO VERIFY COMPLETION:**

I have inspected the basket bracket weldment mounted on the above noted unit, per the SN729 bulletin, and determined that **the correct basket retaining pins & hardware are already in use on this machine.** (See SN729 bulletin for examples).
No labor allowance for the inspection.

The basket bracket basket retaining pins & hardware **have been replaced using the Z1724 Field Service Kit** on the above noted unit. Contact the Terex Utilities Warranty Department at 1-844-837-3948 or email utilities.warranty@terex.com with any questions.

*If you are unsure if the basket bracket/basket retaining pin combination on your machine is affected by this safety notice, please contact us at 1-844-837-3948 or send an email with a picture to utilities.warranty@terex.com.

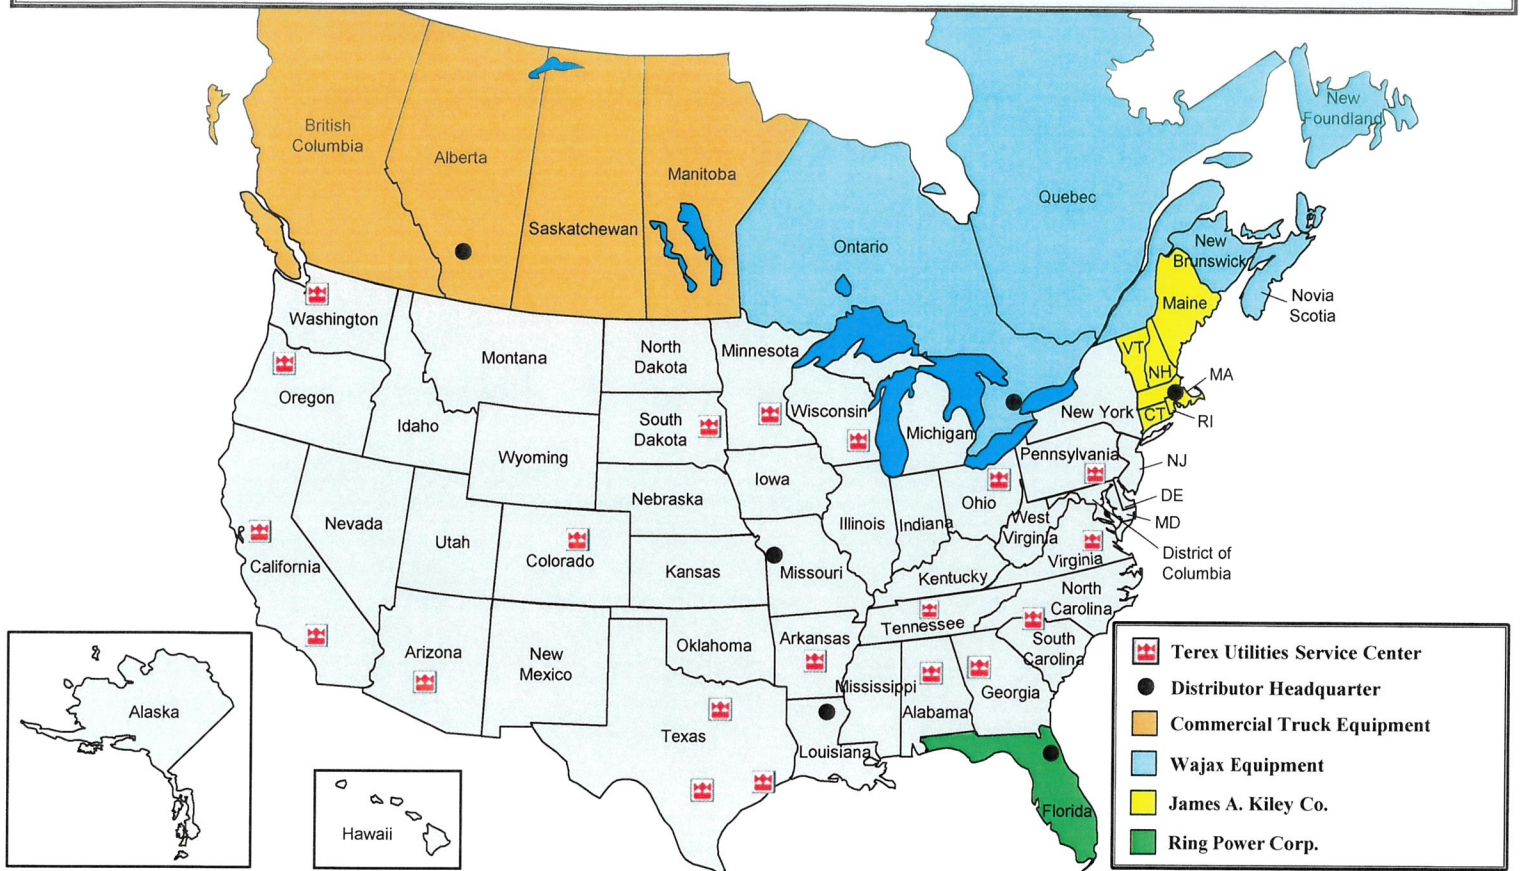

NOTE: Maximum labor allowance is \$150.00 per unit, which is compensable to party performing update. No labor allowance for only inspecting a unit. There is no travel allowance for units in rental fleets. Travel allowance of up to \$600.00 is compensable for customer owned units. Travel greater than \$600.00 requires pre-approval by the Terex Warranty Department by emailing utilities.warranty@terex.com
