Indian Motorcycle Recall I-24-07

NHTSA Recall 24V550

Communication Date: 10.16.2024

Text Message Communication:

Reminder: Indian Motorcycle recalled some MY24 Challenger, Pursuit, Chieftain, Roadmaster, and Springfield motorcycles for crash and serious injury risk; rear suspension pushrod may buckle during operation. Our records show you may have one. Go to <https://bit.ly/3M1BIIW>. Questions? Call 877-204-3697.
