

IMPORTANT SAFETY RECALL

NHTSA Recall No. 24V-706

This notice applies to vehicle [REDACTED]

October 2024

This notice is sent to you in accordance with the *National Traffic and Motor Vehicle Safety Act*.

Micro Bird has decided that a defect, which relates to motor vehicle safety, exists in a 2023 G5 vehicle equipped with an Oliva Torras second air conditioning compressor kit.

So that we can notify you of recalls affecting your vehicle(s), it is important that you inform us of any change or error in your mailing address, vehicle ownership or status. Please send the completed form at the bottom of this letter to recall@microbird.com using Address/Ownership Change in the Subject area.

In the recalled vehicle, the engine drive belt tensioner provided with the Oliva Torras compressor kit may not be strong enough, resulting in the tension in the engine drive belt to decrease. If it happens, the engine drive belt may move on the pulleys and even become dislodged. If the engine drive belt comes loose, critical accessories, such as the power steering, the alternator, the water pump, may stop working, increasing the risk of loss of control, loss of power or engine overheating, increasing the risk of a crash and/or fire.

To complete this recall,

Locate unit 1HA6GUB70PN015789 and contact a **Micro Bird dealer** to make an appointment to have your vehicle corrected. When making the appointment, mention that the vehicle needs the TM21 belt so they can have it on hand. The dealer will replace the Oliva Torras engine drive belt tensioner by a GM tensioner and the engine drive belt by a new one, and thus free of charge. Visit <https://www.microbird.com/dealers> to locate a Micro Bird dealer near you.

Micro Bird Corporation will reimburse parts and labor to mitigate this recall, but it will be your responsibility as owner to contact a Micro Bird dealer to have the defect corrected. **We evaluate that it should take about 90 minutes to repair your vehicle.**

What if you have already paid for this repair?

You may be eligible to receive a reimbursement for the cost of repairs made prior to receiving this notice. You may submit your receipts by email to recall@microbird.com using **24-111-GUC Reimbursement Request** in the Subject area.

Please send any question or concern regarding this recall campaign to recall@microbird.com, using **24-111-GUC** or **24V-706** in the Subject area.

If you have leased this vehicle to another person or organization, you must forward this letter to the lessee within ten (10) days

We apologize for this situation and want to assure you that, with your assistance, we will correct this condition.

Should Micro Bird Corporation Inc. fail or be unable to remedy the situation without charge, you may contact:

Associate Administrator, National Highway Traffic Safety Administration

1200 New Jersey Ave S.E., Washington, DC 20590

Phone: (888) 327-4236 (TTY: 1-800-424-9153); or go to

If not possible to have your vehicle corrected at a Micro Bird dealer:

- 1- Visit the Recall portal at <https://supportclient.microbird.com>, log into your user account and select the **Recall 24-111-GUC** to download inspection and correction instructions

Note: If you have never registered on our Recall portal, use the Portal ID that appears on the List of Recalled Vehicles to create a User Account. Once created, on subsequent visits, you will only need your email address and password to access your User Account. Once a User account is created, we no longer print the Portal ID on the List of Recalled Vehicles.

- 2- Please have the correction applied at a certified garage.
- 3- Complete, for each of your vehicles, and sign, the form section of the List of Recalled Vehicles included with this Notification.
- 4- Once you have completed or declined the recall for all your vehicles, for reimbursement, transmit the completed and signed List of Recalled Vehicles and your detailed invoice(s) to a **Micro Bird dealer**.

Changed address or sold the vehicle?

If you have changed address, or have sold the vehicle, please fill in the following form, and send it to Micro Bird Corp. by email at recall@microbird.com, using **24-111-GUC** or **24V-706** in the Subject area. The information you provide will be used to update our files and, if needed, notify the new owner about this recall.
