IMPORTANT SAFETY RECALL

Collapsed Brake Pedal

Dear [REDACTED],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain 2024 Alfa Romeo Tonale vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle ^[1] may have been built with a brake pedal assembly that may collapse while braking. **A brake pedal that collapses while driving prevents the driver from being able to activate the service brakes which can cause a vehicle crash without warning.**

Should this happen, the Electronic Park Brake, located on the center console, can be pulled up and held while driving to slow the vehicle to a controlled stop. Additionally, the Automatic Emergency Braking system, unless deactivated, will intervene without further action from the driver when it detects a collision is imminent.

HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US LLC will repair your vehicle ^[2] free of charge (parts and labor). To do this, your dealer will reinforce the brake pedal arm by adding a bolt and nut. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service. Please bring this letter with you to your dealership.

WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online. ^[3] Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
