

**IMPORTANT SAFETY RECALL
NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION
NHTSA RECALL NO: 24E026**

May 1, 2024

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act..

Freedman Seating Company (FSC) has decided that a defect which relates to motor vehicle safety exists in certain GO-ES Spacesaver Foldaway Seats manufactured between December 11, 2023 and January 31, 2024. The seat back cushion may become disengaged from the dump mechanism when there is a high load applied to the shoulder portion of the seat belt.

Upon receipt of this Recall Notice, FSC is requesting you provide notification of this Product Recall of the subject seats to your Dealer and Customer/Owner.

To correct this condition, we have developed a simple inspection procedure. If the seat does not pass the inspection then there is an easy remedy. A document and video describing the inspection can be found here:

<http://www.freedmanseating.com/recall/24e026/>

If during the inspection procedure, the seat was found non-compliant, written and video instructions on how to do the repair can be found in the above link. Written instructions are also being sent with this letter.

The repair is expected to take approximately 15 minutes per seat. FSC will reimburse the cost of repairs related to this recall. No parts should be required.

Upon completion of the recall repair work the Customer **must** file a claim with FSC Customer Service for reimbursement referencing FSC Recall #24E026 on the claim.
