Details of the Recall

Your vehicle may have been built with an inflator that can rupture. A SABIC inflator rupture may result in compressed gas rapidly escaping from the inflator and sharp metal fragments propelled into the vehicle which may cause injury or death.

FCA US LLC will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace both SABIC modules. The estimated repair time is two hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Dodge, Jeep®, RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
