To schedule your recall repair contact your dealership or the FCA US Recall Team at **1-800-853-1403**.

Recall notice issued to:

[REDACTED]

Vehicle information:

VIN [REDACTED]

2021 DODGE DURANGO SXT RWD

Recall information: 66B/NHTSA 24V-436

Visit recalls.mopar.com for more information or call the FCA US Recall Team at **1-800-853-1403**

Details of the Recall

The radio software on your vehicle may prevent the rearview camera signal from passing through to the media screen. The vehicle operator will notice that the rearview image is not displayed if attempting to reference the image while backing. A rearview camera image that does not display decreases the driver's visibility, increasing the risk of a crash.

FCA US LLC will repair your vehicle free of charge (parts and labor). To do this, your dealer will inspect and if necessary, update the radio software version. The estimated repair time is 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Ask your dealer for alternate transportation options while your vehicle is in service.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge, RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
