

Hyundai Issues Important Safety Recall

Recall 271

Rearview Camera System - Remedy is Available

Dear %%Name%%,

An important safety recall has been issued on your %%ModelYear%% %%ModelName%%. Our records indicate that your vehicle, with Vehicle Identification Number (VIN): %%VIN%%, is affected by this recall.

Your Hyundai dealership will inspect the rearview camera and replace it if necessary. This procedure will be performed at **NO CHARGE** to you.

To ensure your safety and quality of your vehicle, please schedule an appointment with a Hyundai dealer as soon as possible to complete the remedy procedure.

Additional Information

The rearview camera may have been produced with a damaged printed circuit board (PCB), which can cause a rearview camera image display

failure. An inoperative rearview camera reduces the driver's rearward visibility, increasing the risk of a crash or injury to bystanders. As such, the affected vehicles fail to comply with the requirements set forth in Federal Motor Vehicle Safety Standard No. 111, "Rear Visibility."
