

# IMPORTANT SAFETY RECALL

## INTERIM OWNER NOTIFICATION NOTIFICACIÓN PROVISIONAL AL PROPIETARIO

NHTSA Recall 24V-071

This notice applies to your vehicle, [VIN].

Dear Nissan LEAF Owner:

This interim notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that certain 2018 Model Year Nissan LEAF vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rear Visibility." Our records indicate that you own or lease the Nissan vehicle identified by the VIN above and on the inside of this notice.

### Reason for Recall

#### Motivo del Retiro

Over time, the rear view camera harness in your vehicle may become damaged from harness movement and vibration during vehicle operation. If the rear view camera harness becomes damaged, the backup camera display image could become blurry, distorted, multi-colored or blank screen. If this condition occurs, it may not comply with FMVSS 111 S.5.5 Rear Visibility. If the rear view image is not available, rearward visibility may be reduced, increasing the risk of a crash or injury to a person behind the vehicle.

### What Nissan Will Do
