**Safety Recall:** May 2024  
**Jayco Inc. 24V-245**  
**Ford Motor Company 24V-097 (24S07)**

Name  
 Address  
 City, St. Zip

Dear Valued Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company and Jayco Inc. motorized division have decided that a defect, which relates to motor vehicle safety, exists on certain model year 2020-2022 Entegra Coach Esteem, Odyssey and Jayco Greyhawk, Redhawk and Greyhawk Prestige Class C motorhomes built on certain model year 2021-2022 Ford E-450 vehicles equipped with dual rear wheels.

***Reason for this recall***

On your vehicle, the power steering pressure line may be inadequately connected to the brake Hydroboost unit, which may result in a leak or sudden loss of power steering fluid. This Safety Recall, 24S07, supersedes Safety Recall 22S08. Your vehicle has been included in this recall because either 22S08 has not yet been completed, or was inspected on or after January 29, 2023. The inspection procedure may not have detected an incomplete connection of the power steering pressure line. Sudden loss of power steering fluid may result in a loss of power steering assist, requiring increased steering effort, and loss of power brake assist, requiring increased force on the pedal to brake, potentially resulting in increased stopping distance. Mechanical braking and steering will still function. A sudden loss of power steering assist and power brake assist increases the risk of a crash.

***Recall Remedy***

Ford will provide a power steering pressure line and Hydroboost jumper line replacement as the remedy for this recall. If your vehicle was inspected within the previous twelve months or if you had not yet had your vehicle inspected, Ford will replace your power steering pressure line and Hydroboost jumper line. Ford Motor Company is working closely with its suppliers to produce parts for this repair. Parts are anticipated to be available in Q2 2024.

***What we need you to do***

When parts become available, Ford Motor Company will notify you via mail to schedule a service appointment with your dealer for repairs to be completed free of charge (parts and labor). Ford has not issued instructions to stop driving your vehicle under this safety recall. When parts are available, you should contact your dealer for an appointment to have your vehicle remedied as soon as practicable. If you do not already have a servicing dealer, you can access [ford.com/support](http://ford.com/support) for dealer addresses, maps, and driving instructions.

If you have questions about this recall contact the Ford Customer Relationship Center at 1-866-906-9811 or Jayco Inc. Customer Service at 1-800-283-8267. If you are still having difficulty getting your vehicle repaired in a reasonable time or without charge, you may write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave. S.E., Washington, D.C. 20590 or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153) or go to [NHTSA.gov](http://NHTSA.gov). Reference NHTSA Safety Recall 24V097. Please note: Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days. If you do not own the vehicle that corresponds to the identification number, which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner.

We certainly regret this inconvenience; however, your safety is our most important priority.

Sincerely,

Compliance Management  
 Jayco Inc. Motorized Division
